

INTERACTIVE ZOOM WORKSHOP

Interactive ZOOM Workshops

Join us LIVE via Zoom, for a *Zoo-phonics Interactive and Comprehensive Workshop (Part I)* with a Certified Presenter. Attending this interactive Zoo-phonics Workshop enables anyone, parent or educator, to quickly and effectively learn how to teach all aspects of the *Zoo-phonics Mnemonic & Multisensory Language Arts Curriculum*, all from the comfort

of home! This virtual experience mimics our in-person Comprehensive Workshops and will demonstrate how combining all aspects of the language arts process with fun and physical activities helps reach each unique child you teach, regardless of age, stage, ability or home language spoken. It also shows you how to connect all academic subjects to the Animal Alphabet!

Safari Sid's Signal and Sound Practice

Get up and out of your seats as you learn the alphabet with Safari Sid! Join Zoophonia's favorite nephew, Safari Sid, as he takes you and your children on a playful journey to discover all 26 of the Zoo-phonics Animal Letter shapes, sounds and Body Signals. This lively video is perfect for learning the proper way to sound and Signal each lowercase letter! Knowing the sounds of the lowercase letters help ease children into the reading, spelling and writing process much easier and earlier than is normally expected. And it's still a "developmentally appropriate practice" because it is physical, playful and concrete! This video is great for home and classroom.

Sing, Signal and Sound with Zoophonia

Zoophonia and our Animal Letter Friends come alive in Zoo-phonics' newest digital product. There are 26 videos (songs, animation, and real animals in their natural habitats) that teach all about the Zoo-phonics Animal Alphabet and the Animals themselves! Each song is filled with words that start with that Animal Letter's sound (bubba bear is bashfully brave!). Listen carefully to the music behind the lyrics! It represents the country from which each Animal lives. Zoophonia will show children how to Signal and sound each Animal Letter as the letter morphs from Animal to Letter to Animal Letter! This is great for home and classroom.

Toddler Cubs Alphabet Kit

The Zoo-phonics Toddler Cubs Alphabet Kit will help your young toddlers develop receptive and expressive language as they learn the sounds of their language. The Zoo-phonics Alphabet, with its colorful and inviting Animal Letters and up-and-out-of-your-seats alphabet play, teaches critical speech articulation, language, and literacy skills. You will watch your toddlers' language explode as you use the Animal Alphabet in various games and activities. Help your parents to easily learn how to help their children at home.

The Reading Adventure Home Kit

The Zoo-phonics Reading Adventure Home Kit is a fun, physical, and an easy-to-use mnemonic and multisensory "home" language arts curriculum. This combination of Zoo-phonics products will inspire and excite your young child's "reading adventure," starting with the alphabet. The curriculum is flexible and can be used by various ages in the family. Created by two award-winning teachers, this Reading Adventure Home Kit provides a unique and playful curriculum that involves your child's heart, brain and body. Not only will your child gain literacy skills, but will enjoy connections with other academic subjects as well.
